Block Kids Building Program

In partnership with Rhode Island Chapter of the National Association of Women in Construction (NAWIC), YWCA Rhode Island recently hosted the annual Block Kids Building Program. Students used interlocking blocks, string, rocks and foil to build a project of their choice. It was free and open to youth in grades 1-6. Prizes were awarded to the top contestants. Kindergarten students also participated, but were not eligible for the prizes. This is a national competition, that introduces children to construction industry. Thank you NAWIC!
