**Day Two - Level 200** (\$1,000 up to 25 people) An external examination of how racism is embedded in the historical legacy of the United States in our laws, economy, housing markets, and institutions, including our criminal justice and educational systems. By considering this historical legacy, participants will understand the impact that past policies still have on our society today.

**Day Three - Level 300** (\$1,000 up to 25 people) This workshop day offers the opportunity for internal exploration by examining subtle and overt behaviors stemming from bias that take many forms: personal, interpersonal, cultural, institutional, and systemic.
