Day One - Level 100 (\$1,000 up to 25 people) With a focus on racial and ethnic identity in the United States, participants will become more aware of their own identity development, cultural lens, and attitudes towards race.

Day Two - Level 200 (\$1,000 up to 25 people) An external examination of how racism is embedded in the historical legacy of the United States in our laws, economy, housing markets, and institutions, including our criminal justice and educational systems. By considering this historical legacy, participants will understand the impact that past policies still have on our society today.

Day Three - Level 300 (\$1,000 up to 25 people) This workshop day offers the opportunity for internal exploration by examining subtle and overt behaviors stemming from bias that take many forms: personal, interpersonal, cultural, institutional, and systemic. Participants consider their own spheres of influence where they have privilege and they develop strategies to work towards equity.

YOUTH ENRICHMENT

their capabilities. YWCA Rosie's Girls encourages participants to develop confidence and expand their perception of education and career options that are attainable.
