Day One - Level 100 (\$1,000 up to 25 people) With a focus on racial and ethnic identity in the United States, participants will become more aware of their own identity development, cultural lens, and attitudes towards race.

Day Two - Level 200 (\$1,000 up to 25 people) An external examination of how racism is embedded in the historical legacy of the United States in our laws, economy, housing markets, and institutions, including our criminal justice and educational systems. By considering this historical legacy, participants will understand the impact that past policies still have on our society today.

Day Three - Level 300 (\$1,000 up to 25 people) This workshop day offers the opportunity for internal exploration by examining subtle and overt behaviors stemming from bias that take many forms: personal, interpersonal, cultural, institutional, and systemic. Participants consider their own spheres of influence where they have privilege and they develop strategies to work towards equity.

YOUTH ENRICHMENT

ROSIE'S GIRLS SUMMER

Rosie's Girls is a six-week summer day camp program of YWCA Rhode Island for girls from Providence entering fifth through eighth grade. Through non-traditional activities like carpentry, welding, electrical wiring and auto repair, young women improve their science, engineering, technology, and math (STEM) skills. Participants are challenged to develop a broader sense of themselves and

their capabilities. YWCA Rosie's Girls encourages participants to develop confidence and expand their perception of education and career options that are attainable.

ROSIE'S CIRCLE

Rosie's Girls is supported through a mix of funding and donations from individuals, foundations and corporations. The overwhelming majority of our campers require financial aid. In fact, from 2013 - 2017, 100% of our campers received full tuition scholarships to attend. We invite you to join other women and men in becoming a member of YWCA Rosie's Circle, a group committed to pledging financial support to Rosie's Girls to ensure that no girl will be turned away from the camp because of her inability to pay.
